4. Declaration of Interests	Cllr Gibson Fleming – Item 5c and Item 6a(4).	
5. Matters Arising	<p>a. Cllr Hewitt asked the council members if they had responded to the Local Plan consultation. The council discussed the requirement to provide responses to this consultation by 15 March 2021. Cllr Hewitt suggested that the council may wish to respond to a proposed further consultation envisaged later in the year. Cllrs Sullivan, Gredley and Barrett thought that given the large volume of documentation to review, it would be extremely difficult for a collective response to be coordinated from the council.</p> <p>b. Cllr Sullivan advised the council that the Malus tree entangled in the BT power lines at Corner Road to Courtney Close was being micro-managed and financed by the group of residents affected by this matter. It would appear a 'cherry picker' will be required to provide safe access to the tree branches identified for cutting from the power cables.</p> <p>c. Cllr Gibson Fleming advised the council that the take-up for new Wessex Internet high-speed fibre broadband offer had not yet reached its target figure, however, the indications are that additional interest and support would be forthcoming. <p>7. Correspondence DAPTC email 05/03/21 refers</p>	<p>a. Cllr Hewitt described aspects of the current Community Governance review of all town councils, parish councils and parish meetings and asked the council if it had any recommendations or comments to submit about the size or reorganisation of the council membership, changing Parish boundaries, Parish names or merging with other local Parish councils. The council discussed the productiveness and value of the current council membership with 5 members instead of the 9 members recommended (as based on the number of residencies in the Parish). It was considered that the current size of the Parish council enabled swift consideration of issues and facilitated decision making, and that the council was operating highly effectively.</p> <p>Clerk’s note:</p>	<p>Clerk for April 2021 agenda</p>

	<p>The responsibility of undertaking a Community Governance Review falls to Dorset Council and can be triggered in a number of ways including a request from a parish, a community petition or, as in this case, at the principal council's volition. As a principal council, Dorset Council is required to undertake a review of governance arrangements of all parishes every 10-15 years. The legislation that covers a Community Governance Review requires any Review to be completed within 12 months of Dorset Council publishing its Terms of Reference.</p> <p>The formal start date of this Review is July 2021 completing in April 2022. Any proposed changes to governance arrangements as part of the Review cannot take effect until the next scheduled elections May 2024.</p> <p>b.
